Supreme Laundry and Cleaners

05/15/2006 - 09/15/2023.

\$818.85/pp

-Oversaw operations for 16 dry-cleaning and laundromat locations throughout my time employed with Supreme Laundry.

-managed a team of employees, including hiring, training, and performance evaluations.

-Maintained inventory, handled some financial transactions, and resolved customer issues promptly and effectively.

-I also helped with the production of the drycleaning and laundry process ensuring that our product went out in a timely manner and enforced quality control.

Skills:

-Proficient in full stack development technologies using html, css, and Javascript.

-Have done projects using Javascript, CSS, HTML, Handlebars, and REACT.

-Strong communication skills developed through coursework and minor in communications.

-Leadership and management abilities honed through experience as a manager at Supreme Laundry and Cleaners.

-Excellent customer service skills gained from various roles in retail and food service industries.

-Ability to work effectively in fast-paced environments and prioritize tasks efficiently.
